Montlhéry Motor Héritage - May 8 and 9, 2027 GENERAL TERMS AND CONDITIONS FOR RENTAL AND SERVICE PRESTATIONS

ARTICLE 1 – DEFINITION OF THE PARTIES

The terms "CAM'S ORGANISATION" or "the Lessor" and "the Lessee" or "the Exhibitor," as used herein, refer respectively to CAM'S Organisation and the individual or legal entity with whom it is transacting.

"The Parties" refers to the Lessor and the Lessee collectively.

"The Exhibitor" refers to the person who has contacted CAM'S Organisation to rent a specific space or booth as part of the Montlhéry Motor Heritage event.

ARTICLE 2 – PURPOSE

This document sets forth the general terms and conditions governing CAM'S Organisation's rental of booths, equipment, and materials, as well as the provision of services for the provision of a booth as part of the Montlhéry Motor Heritage event. It is supplemented by the exhibitor registration agreement. Together, these documents constitute the contract. Consequently, by completing the registration form, the exhibitor fully and unreservedly agrees to these general terms and conditions of sale, to the exclusion of all other documents.

ARTICLE 3 – CONTRACTUAL DOCUMENTS – FORMATION OF THE CONTRACT

The rental contract is formed and takes effect upon the exhibitor's signature of the general terms and conditions and the registration agreement. The registration agreement specifies the event's organizational details (dates, times, location) as determined by CAM'S Organisation, which may modify them unilaterally.

ARTICLE 4 – REVIEW OF REGISTRATION APPLICATIONS

Registrations will be accepted only if accompanied by the corresponding payment and subject to availability. No registration will be processed without payment.

CAM'S Organisation decides on registration applications. An applicant whose registration is denied may not claim that CAM'S Organisation solicited their registration. Nor may they cite correspondence exchanged between themselves and CAM'S Organisation, the receipt of the registration fee, or the publication of their name on any list as proof of their admission.

Rejection of an application shall not give rise to the payment of any compensation other than the refund of sums paid to CAM'S Organisation.

ARTICLE 5 – ALLOCATION OF SPACES

CAM'S Organisation determines the spaces designated for exhibitors. It may, at any time, if it deems it necessary for any reason or for safety purposes, modify the location or size of the allocated space. No objections from exhibitors will be accepted. If the change affects the allocated area, only a proportional reduction in the service fee may be applied.

ARTICLE 6 – ASSIGNMENT OR SUBLETTING OF SPACE

The assignment or subletting of all or part of the space, whether for a fee or free of charge, is strictly prohibited unless prior express consent has been obtained.

ARTICLE 7 – OBLIGATIONS OF CAM'S Organisation

CAM'S Organisation undertakes to provide the Exhibitor with the requested stand space and the agreed services for their participation in Montlhéry Motor Heritage, in accordance with the booking contract.

CAM'S Organisation will facilitate the Exhibitor's requests and access to their stand.

ARTICLE 8 – OBLIGATIONS OF THE EXHIBITOR

The Exhibitor is required to:

- Pay for their space in full upon signing the Exhibitor Booking Contract, in accordance with Article 11 of these General Terms and Conditions.
- Provide a certificate of third-party liability insurance.
- Exhibit only products and services compatible with the theme of the event, in accordance with French regulations.
- Refrain from any advertising likely to mislead or constitute unfair competition.

It is hereby specified that this agreement may be terminated automatically if any sum is not paid by the due date or if a cheque issued by the Exhibitor is not honoured by their bank.

ARTICLE 9 – PRICING

The price is set out in the exhibitor booking contract and is based on the area reserved and any additional services requested.

ARTICLE 10 – ADDITIONAL ORDERS

Any additional orders placed by the Exhibitor that fall outside the scope of the original contract will be included on the final invoice issued by CAM'S Organisation.

ARTICLE 11 – TERMS OF PAYMENT

The Exhibitor's acceptance of these general terms and conditions of participation constitutes a commitment to pay the full amount due for their participation.

If CAM'S Organisation receives the participation contract without payment, the booking will not be confirmed and the space will be reallocated.

Payments made by cheque will be cashed by 31 December 2026 at the latest.

ARTICLE 12 – PAYMENT GUARANTEES

12.1 – Upon registration, each Exhibitor undertakes to comply with and meet the payment deadlines relating to their participation.

12.2 – Failure to comply with this obligation entitles CAM'S Organisation to demand immediate payment of any outstanding sums or to cancel the Exhibitor's participation.

12.3 – An Exhibitor in arrears shall, as of right, be liable to CAM'S Organisation for a fixed compensation of €40 for recovery costs, as set by a decree published in the Official Journal on 4 October 2012.

12.4 – Any delay in payment of a sum owed by the Exhibitor shall result in the Exhibitor paying CAM'S Organisation late payment penalties calculated by applying a rate equal to the Bank of France's discount rate, plus five percentage points, to the amount due.

ARTICLE 13 – COMMERCIAL CONDUCT

13.1 – The Exhibitor is solely responsible for any intellectual property rights, exploitation rights or marketing rights relating to the products and services it exhibits (patents, trade marks, designs, etc.). These measures must be taken prior to the presentation of the products or services at the event; CAM'S Organisation accepts no liability in this regard, particularly in the event of a dispute with another exhibitor, a visitor or the customs authorities.

CAM'S Organisation reserves the right to exclude exhibitors who have previously been convicted of counterfeiting offences.

13.2 – The Exhibitor undertakes to welcome visitors to their stand throughout the duration of the event.

13.3 – Advertising and the distribution of promotional items are subject to the general regulations. CAM'S Organisation reserves the right to prohibit any advertising that may cause harm of any kind to anyone.

Advertising by shouting or using a microphone, and touting, are prohibited.

ARTICLE 14 – LIABILITY – INSURANCE

14.1 – The Exhibitor undertakes to comply with all obligations incumbent upon them under this contract, its annexes or the general terms and conditions, which they declare to have read and accepted. They undertake to comply with all the requirements of CAM'S Organisation and those of UTAC, the site manager.

14.2 – The Exhibitor shall be liable for any personal injury caused, whether through its own fault or through a breach of its obligations, during the term of this contract, to any person, or for any material or immaterial damage caused, under the same circumstances, to the property made available to it.

14.3 – Every exhibitor taking part in the event organised by CAM'S Organisation must hold an insurance policy covering them for damage caused to third parties, including other exhibitors, for which they would be held personally liable. Proof of this insurance cover must be sent to CAM'S Organisation no later than one month before the start of the event.

The Exhibitor further acknowledges that they have read and understood the provisions relating to insurance regulations set out in these General Terms and Conditions.

15.1 – Stand fittings must comply with the regulations set out in Articles AM 1 to AM 20 of the general provisions of the fire safety regulations.
15.2 – Exhibitors wishing to fit out their stands with tents, structures, marquees, etc. must provide a fire reaction test report for these materials, which must be classified as category M2 and certified by an approved French body. They must ensure the necessary ballast is provided.
15.3 – The Exhibitor must also inform CAM'S Organisation of their intention to fit out their stand in accordance with Article 15.2 and undertakes to state this in their registration form.

ARTICLE 16 – SAFETY

16.1 – The Exhibitor undertakes to comply with all instructions given by the event's Safety Officer.
